CABLE CELEBRATION.

NEW YORK, Sept. 1. This was the most beautiful day of the season. Clear sky, warm sun and a cooling breeze.

Preparations for the grand fete have been going on on Broadway nearly all night. At early morning that thoroughfare presented a most animated appearance. Platforms and temporary balconies are pleatiful along the whole route marked out for are plentiful along the whole route marked out for the procession. Throughout the whole city flags are waving with appropriate devices, and mottoes are more numerous than ever before at any cele-bration. Many buildings on Broadway are deco-rated, and most lavish preparations made for eve-ning illumination. Haugmout's warehouse alone will show over eight thousand variegated lights. People began to flock into the city from the su-burbs at an early hour this morning, so that before 9 c'clock Broadway was crowded to excess. PRILADELPHIA, Sept. I.

Weather delightful. Notwithstand that the celebration of the ancess of the Atlantic Telegraph has been gotten up by private citizens, without the least patronage of the City Government, yet from the extensive preparations being made, the occasion bids fair to be one of much celat.

Throughout a large number of stores, hotels, &c. on Chestnut street, handsomely festioned with British and American flags, mammoth transparencies are being fitted up.

There will be three separate and distinct processions, military and civic, during the day.
